No 4486/1093

To The Muzroi Secretary
to the Dewan of Mysore

Sir,

With reference to your Memo. No. 552 dated 25th November 1893, I have the honor to submit herewith for publication in the Mysore Gazette a Supplemental list shewing the names of persons who have subscribed a sum of Rupees 327-" " towards the Construction of a "Gopuram" to the temple of Sree Anjaneya Swami at Mulbagal.

2. The Amildar's arzi No. 940 dated 18th Ultimo together with the accompanying copy of the Proceedings of a meeting held by the Dharmadarasees of the temple is also herein enclosed

From

from which it will be observed that the total cost of the construction of the Gopuram is roughly estimated at Rs. 3000/, that 5/6 (Rs. 2500) of this estimate are likely to be met from private subscriptions and that the remaining 1/5 (Rs. 500) is recommended by the Dharmadarsies and the Amildar to be defrayed from the surplus receipts of the temple which would probably amount to Rs. 1000/ at the close of the current official year, the present available balance being about Rs. 800/.

3. It is also requested that the timber needed for the wooden portion of the work to the Gopuram as well as the requisite quantity of fire wood for burning the bricks and limestone required for the work may be given to the Institution from the Government jungles

on

on payment of the prescribed seignio-
-rage or of a fair value to be
fixed therefor.

4. I am of opinion that the
concessions asked for in respect
of timber and firewood may be
granted and a sum of Rs. 500/-
sanctioned from the temple
funds towards the construction
of the "Gopuram" on the submission
by the Amildar of a regular
estimate for the work provided
the balance is met by private
subscriptions.

5. The work may be supervised
by the Amildar who will be ex-
-pected to see that the same is
carried out substantially and in
accordance with the estimate to
be approved by Government.

I have the honor to be,
Sir,
Your most obedient servant,

Forwd

Dated 17 August 94

No. 720/115

To

The Munzarai Secretary
to the Dewan of Mysore
Bangalore

Sir,

With Reference to your docket No Munzarai F. 1385 dated the 18th June 1894 regarding the Construction of a Sopanam to the temple of Sriangendya Swamy at Mulbagal, I have the honor to submit herewith the Amildar's Arzi No 6 dated the 26th ultimo with its enclosures among which will be found two Estimates. One for the construction of the Sopuram amounting to Rupees 4000 and the other for Rupees 600 required for certain repairs needed to the Temple Compound &c

2. The Estimate for the Sopuram having since had to be raised from Rupees 3000 to Rupees 4000 it has now become necessary to apply for a sum of Rupees 1000 from the Nuzzur Funds and the remainder viz Rupees 3000 will be contributed by

by the Vatanies of the temple. Of the latter Rupees 1899-4-a has been collected and the balance will be collected shortly.-

3. I have lately inspected the work. It has already been started and is progressing steadily and satisfactorily. A considerable portion of (Rupees 1042-11-10) of the amount of private subscriptions paid has been expended and a large quantity of materials collected at site.-

4. The unexpended balance (Rupees 858-8-2) is held in the Government Savings Bank with the Exception of a small sum of Rupees 104-4-2 kept for current expenses in the hands of the Honorary Secretary of the temple committee.

5. The amount that will thus have to be sanctioned by Government towards the cost of the construction of the Jopuram and for the execution of the temple repairs is Rupees 1600 which cannot altogether be met from the funds at the credit of the temple which according

According to the accompanying Treasury certificate furnished by the amildar amounted to only Rupees 927-15-0 at the close of the last official year I therefore request that you will be good enough to obtain sanction to the balance of Rupees 672-1-0 being defrayed from the Mirzarai Surplus Funds of the District or if that is not practicable, to this sum being sanctioned and of annual grant made from the State Funds for the repairs of Improvy institutions

6. The enclosed file of papers contains a 2d. supplemental list of private subscriptions amounting to Rupees 1229-12-0 paid towards the Sopuram work and I solicit that you will cause the same to be published in the Mysore Gazette

7. In conclusion I must not omit to bring to your notice that formal sanction of Government should have been obtained by the amildar before putting the work in hand and the amount of contribution should have been credited to the temple funds before spending the sum on the work

This

This irregularity appears to have been allowed to occur unwittingly and therefore calls for no notice considering the amount of interest and zeal the Amildar has displayed in the matter of the improvement of the temple for which he in my humble opinion deserves much credit.—

I have the honor to be

3. I request that the Supplemental Subscription list attached to the enclosed file may kindly be caused to be published in the Canarese portion of the Mysore Gazette.

D Mundlen
Deputy Commissioner
Kolar District.

No 2/10

Mulubagal Taluq office
Dated 14th September 1895

To.

The Deputy Commissioner
Kolar District.

Sir

I beg to submit the completion reports of the works given below executed to the Sri Anjanaya Swami's Temple situated in the Town of Mulubagal.

No.	Nature of the work and authority	Amount of the Estimate sanctioned			Amount for which the work has been completed and bill submitted		
I	Constructing a Tower to the Temple sanctioned in Govern-ment proceeding No: 244-5 dated 31st August 1894. Mulu 24-94.	4000	"	"	3866	11	6
II.	Repairing the compound walls of the Temple inclu-ding other repairs of the Temples with in the compound sanctioned in the proceedings above quoted	600	"	"	600	"	"
III	Repairing and putting up five golden electroplated Kalasams over the Tower sanctioned in Govern-ment proceedings No. 765-6 Mulu 24-94 dated 2nd march/94.	625	"	"	962	6	1
IV.	Erecting a car stand sanction-ed in the above proceedings	125	"	"	200	"	"
	Total Rupees	5350	"	"	5629	1	7

or Rs 279-1-7 more than the amount sanctioned

2. It will be seen from the above statement that the work No: I namely constructing a Tower to the Temple was sanctioned for Rs 4000/- including the contingent amount of Rs 200/- and that the work was completed at an outlay of Rs 3866-11-6 thus effecting a saving of Rs 133-4-6. The whole of the works including the cottection of materials, making bricks of different sizes, burning of chunam &c, were carried out under strict supervision and control of myself and the members of the committee, departmentally; Hence the savings effected. If the work is properly measured and valued according to the prevailing rates, I am confident that a valuation of Rs 5000/- can be safely put upon the same. I may add that the work has been neatly and substantially finished to the entire satisfaction of the subscribers and the public at large, by Maistry Moanukka

mudaly

Mudaly of Gudiatham assisted by a competent staff of workmen. For the faithful services thus rendered members of the committee were please to reward the Maistry suitably.

3. Work no: II, namely repairing the compound walls &c have also been finished satisfactorily at a cost of Rs 600/- which is the amount of the sanctioned Estimate. The Towers of the Temples of Sri Govinda Raja Swami and Sri Varadarja Swami, which were in a dilapidated state, were repaired with scrupulous care and the Temples which were fast coming down were repaired substantially. The other small Towers in the compound, the spacious Kalyana mantapam Hall, and other Temples were also repaired and put in good order. The descending well in the compound which was in a bad condition and looked very unsightly was also repaired and now it presents a neat appearance besides having a good supply of water.

work no: III namely prepair
ng and putting up five Kalasams over
he new Tower was sanctioned for Rs 625/-
Then the proposal was submitted,
t was considered that the Kalasams
ight be simply guilded with Sovereign
old. But after the copper Kalasams
vere ready, the members of the committee
hought that guilding with Sovereign
old might wear away soon and that
herefore the Kalasams must be
lectroplated with superior gold. The
roposal was carried out and the work
was finished at an outlay of Rs 962-6-1 or
s 337-6-1 over the sanctioned amount as
er details in the completion bill. One
f the members of the committee Mr
enkatraya chetty went to Madras and
urchased the Koondanam gold and the
work of electroplating was executed at
Moulubagal by a skilled workman of
Bangalore, under the immediate
supervision of the committee members
as well as of the Sheristadar and the
Police

Police Inspector who were present in turns, when the electroplating oper were going on. No portion of gold was allowed to be otherwise utilised. It is expected that the gold color of the Kalasams will last for a considerable number of years.

5. The construction of a car-stand was sanctioned for Rs 125/- It was found impossible to finish the work with the amount so as to accommodate both the car and the Voothsavam cart which were subjected to the influences of the sun and rain. These two were prepared and presented to the Temple not long ago. The stand was complet-ed at a cost of Rs 200/- or Rs 75/- more than the sanctioned amount. The building affords sufficient shelter for both.

6. The total amount sanctioned for the above works was Rs 5350/- and that spent was Rs 5629-1-7 or Rs 279-1-7 more than the amount sanctioned. The excess amount was met from subscriptions as detailed in the para.

The sum of Rs 5629-1-7 expended as per details furnished above, was obtained from sources given below:-

	Rs
Amount paid by the Subscribers	3797
Amount sanctioned by Government from the balance available at the credit of the Temple --	927-15-0
Do. Do. from the Mazrai surplus funds of the District	322-1-0.
Do Do from the State grant of 1894-95 - - - - - -	350-0-0
Total amount sanctioned in Government proceedings No: 244-5 dated 31st August 1894	1600
Sale proceeds of surplus materials cart bullocks, and buffaloes paid for and purchad out of the subscriptions	212-1-7
Interest realised by depositing the amount paid by the subscribers for the Tower work	20-0-0
Grand Total Rupees	5629-1-7

Cent of Rs 3797/0 paid by the subscribers, a sum of Rs 3243-12-0 has already been acknowledged in the Mysore Gazette. A list

list showing the collections, since amounting to Rs 553-4-0 is herewith sub-ted for publication. Rupees 144-12-0 promised by the subscribers have not been paid by them although repeatedly requested to do so. For the sake of courtesy I refrain from giving their names. These people visited the Temple, saw the works going on and subscribed to the fund evidently with no intention to pay the amount. A statement showing the different dates on which the sum of Rs 1600/- sanctioned by Government was drawn, is herewith submitted for reference. As the completion bills have now been submitted, I beg that the amount may be adjusted. As the work was carried out under departmental agency, we had to purchase at the onset a cart and a pair of bullocks for carting materials &c and a pair of buffaloes for grinding mortar &c. from the gopuram funds. This has considerably reduced our expenses and the method was adopted

adopted consultation with the members of the committee, as the most economic one. As the works were approaching completion, all these as also the surplus materials were sold and a sum of Rs 212-1-7 was realised which was also spent in completing the works. When large sums remained in hand out of the collections, they were deposited in the savings Bank and drawn as expenses were incurred. A sum of Rs20/- was obtained as interest for the amount thus remained in deposit.

8. Having finished the works as above detailed, we had to perform the Punthi stay and other religious ceremonies before opening the main entrance over which the Tower was constructed, for the use of the public. In consultation with the learned Pundits of the place and also the Swamis of the Avani and Sri Pada Raya Mutts, the 15th day of august 1895 was fixed for the purpose. Invitations were sent to all

all the subscribers and other g
to favor the occasion with their pres
I may here state that the invitation
letters were printed and supplied to
the committee, gratis by Messrs —
V. B. Subbiah and Sons, Bangalore, —
who were kind enough to say that —
the charges are their contribution —
towards the object. The thanks of the
committee are due to them for their —
unsolicited generosity. The Avani —
Swami was foremost in urging —
upon the committee the desirability
of finishing the ceremonies as soon
as possible. Although he was unavoidably
prevented from attending the ceremony
owing to chaturmasyam yet he sent his
disciples and others with a liberal aid
towards the object for which he is entitled
— to the gratitude of the public —

9 On the day appointed and
exact to the hour thousands of devotees
and others assembled near the Sri Swamy
works. The Sri Pada Raya Swamy with
his

his disciples was also present. The
Prathistay Agamam and other
ceremonies were performed according
to Shastras. after which the Brahmins of
the three sects numbering about one
thousand were sumptuously fed in the
temple premises and Dakshana and
Pan-supari were distributed according
to usage. After this, the other caste people
who came on invitation were fed. In
the evening there was a grand proces-
ion of the Swami round the Town
with display of fire works. The next day
the 16th august 95 the Vysyas and
others were fed in the Temple as also the
poor people of all castes. The expenses con-
ected with the religious ceremonies.
amaradhané &c were borne bythe public
who cheerfully contributed to the same.

In the evening the inhabitants
held a meeting in the spacious Hall of
the Temple. when addresses composed
in honor of the occasion in canarese
anskrit, and Tamil languages were
read

read by different persons. In all addresses the inhabitants expressed deep-felt gratitude to you for the en-couragement given to them and for obtaining a liberal contribution of Rs 1600/- towards the work from the Government. They also expressed their feelings of thankfulness to me for the trouble I had taken in completing the work. In reply I told them th I have simply discharged the trust reposed in me and that I was glad that my services have been appreciated by the public. After Mangala Arathi the audience honored me by coming to my house and receiving Pan-Supari. Thus ended the final proceedings of the day.

11. The works were ordered to be carried out under my superintendence I would not have been able to finish the work so soon but for the heartly cooperation of Mr Suryanarnappa the Sheristadar and Mr Venkat Rao Police Inspector

Inspector. both of whom took great
interest in the work. Of the committee
members, Ramakuppam Venkatroyappa Chetty
and Koppram Rangiah chetty exerted
themselves from the begining to the end.
They not only exercised a healthy influ-
nce over their companions and others
in getting subscriptions but also devoted
much of their time in superintending
the works and checking the accounts
c. The honorary Secretary M.R. Ry.
Srinivasa Rao to whom was entrusted
the duty of receiving contributions
making payments and keeping accounts
& did his work satisfactorily.

2. The Temple is held in great
veneration by not only the people of the
Taluq but also by the people of the
Province and the neighbouring
villages of Her Majesty's Territories It
is considered the Key of the Thirupetty
Temple Those that go to Thirupathy by
road first visit the Temple and then
go to Thirupathy. Although the Temple
has

has now been satisfactorily repaired and put in order, yet I feel unable to say that all the necessary works have been taken in hand & carried Small portions of work still to be done will have to be carried in the ensuing years, as funds, to the credit of the Temple accumal

13 The papers connected with the works are herewith submitted as per enclosed pharist.

I beg to remain

Sir

your most obedient servant
